

With over 30 years of experience, MLS has been able to create the ideal programs to help people improve their language skills. All our programs are offered in a variety of languages and delivered by professional, experienced teachers and managed by a strong pedagogical team.

Private Training: starting from \$1 620

MLS's Private program comes with a choice of schedule for the busy executive.

Immersion: private: \$2 500 per week
group of 2-4: \$4 000per week

MLS's Immersion is the quickest way to get results in the target language.

Corporate Group Training: starting from \$1 800

MLS's Corporate Group Training allows your team members to learn the target language within their work environment.

Seminars: \$3 000 per day (maximum of 12 participants)

MLS's Seminars are offered on the following topics:

- Business Writing
- Presentation Skills
- Meetings & Negotiations

Distance Learning: starting from \$1 620

MLS's Distance Learning is a telephone/e-mail/skype course which combines convenience with technology.

Writing Course: starting from \$1 620

MLS's Writing Course is for those who wish to improve various aspects of their written communication.

Testing Services: Standard linguistic evaluation - \$40
Specialized evaluations – starting from \$60

"Personal development for bilingual success"
